

**Are you looking for a Bridge related Christmas gift?**  
**We have an idea for you!**

Barbara Seagram, the wonderful bridge teacher and author, is also a friend of the Guelph Bridge Club. She is offering our Club the profits from the sale of these online lessons:

- New Minor Forcing
- Reverses and Other Challenges at Bridge
- An Introduction to Two Over One

Each video lesson is approximately two hours long and is animated by Barbara's engaging personality. A set of notes is included, for the cost of only \$25 per lesson. Or save \$10 and buy all three for \$65?

To make this purchase, pay by e-transfer to [GBCrevenue@gmail.com](mailto:GBCrevenue@gmail.com). Sheila McLaren will contact you to determine the email address that will be sent to Barbara for the person receiving the gift. You can even include a personalized message for the recipient.

Or... why not purchase the lessons for yourself? You can watch the videos at your convenience and as review many times as you need to. We simply ask that you do NOT share them with people who have not paid.

**Give a unique gift and support your Guelph Bridge Club.**
