

Woodlawn Road lane reductions and turn restrictions
description

<https://guelph.ca/2019/07/construction-notice-woodlawn-road-lane-reductions-and-turn-restrictions-starting-july-15/>

The City is working with Capital Paving Inc. to construct the multi-use path that will be built on Woodlawn Road's north and south sides between the existing curb and property line. Work includes the replacement of the underground sanitary sewer, storm sewer and water main pipes.

Work is expected to start on or about July 15, and be completed by the end of August 2019, weather permitting.

Woodlawn Road will be reduced to one lane in each direction and there will be no left turns onto Imperial Road throughout the project.

Imperial Road northbound lanes will be closed throughout the project. On or about August 1, Imperial Road southbound lanes will also be closed and there will be no left turns at the intersection of Woodlawn Road and Imperial Road.
