

Subject Line: Open House this Friday March 15 for possible new home for the Club

Hi Folks,

The board has decided to add another possible new home for our bridge club (95 Crimea is still a possibility as is staying at our current location) and we have arranged for an open house for our members to look at it on this Friday, March 15 between 4.30 and 5.30 pm. Our real estate agent and Board members will be available to answer questions and there is ample free parking.

The space is located at 5-25 Victoria Road N, unit # 23. It is located in a plaza at the corner of Grange Road and Victoria Road in Guelph. Unit # 23 is located near the CIBC bank. If you have any questions about the Open House, please contact Lynn Campbell at 519-823-4514 or at [lynn.campbell@uoguelph.ca](mailto:lynn.campbell@uoguelph.ca)

Also please note that on Friday, March 22, the Friday afternoon game will be held at 95 Crimea. The game will be sanctioned and we invite all members, whether they want to play or not, to come and tour this possible new home for our bridge club.

The Board has committed to solving our location problem asap, so watch for further emails soon.
