

LEARN, PLAY AND ENJOY BRIDGE

Guelph Bridge Club

23 Victoria Road North, Guelph ON N1E 5G6

519 763-7160 www.guelphbridgeclub.org

You are a newer Bridge player who wants to enjoy Bridge even more:

The Guelph Bridge Club is launching a brand new fully sanctioned 0-199 master points game with a very friendly atmosphere designed with you in mind.

The new game will be on Tuesday Afternoons at 1:00 p.m. with the number of boards tailored to be enjoyable for all.

Why you? There are several reasons you should try this out: If you are new to bridge there is no better way to raise your skills than to participate in friendly competition. You accelerate your learning with feedback and by having all the hands available online after the game. If you have been playing for a while then this is an opportunity to mentor the newest players by sharing your wisdom and 'lead'ing by example (pun intended). You will learn or improve your understanding of the rules of the game and proper A.C.B.L. etiquette from the gentlest of directors; Rob MacKinnon.

Join the wave of people who are returning face to face and making bridge the fun social event it has always been. (Online just doesn't do it.) The club now has upgraded ventilation and masks are available on request.

If you need a partner, matchmaking services are in place. If you arrive 20 minutes before the game without a partner you will be guaranteed one.

So... Please come Tuesday afternoons. ACBL membership is not required (only recommended) Your first two plays will be free.

The first game will be **Tuesday November 15**. See you at the table.
