

Practice Sessions

Beyond the Basics

For players who have the 'basics' (Levels I and II or bridge experience) and are interested in working on their game in a relaxed and friendly atmosphere.

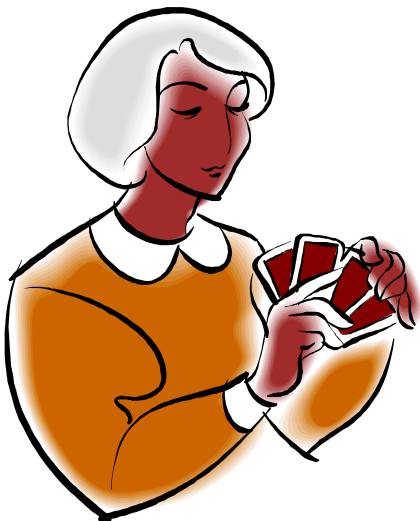

Sessions begin with a mini-lesson which is followed by social bridge with demonstration hands, supervised play and discussion.

Very popular on their own or as a helpful addition to Levels III and IV!

Friday afternoon

1:00 – 4:00 p.m.

These sessions are open and do not require pre-registration.

Just drop in and pay as you go!

\$5 for members

\$7 for non-members
